

# Shelter: Murray Class

## Communications and Language

*At school we will:*

- Begin to ask simple questions.

*At home you can help by:*

- Encouraging your child to discuss the decisions they have made.

## Physical development

*At school we will:*

- Support children with their clothing, e.g. puts on hats, unzips zipper on jacket, pulls up own trousers

*At home you can help by:*

- Support growing independence as children do things for themselves.

## Personal, Social and Emotional Development

*At school we will:*

- Showing understanding and cooperating with some boundaries and routines.

*At home you can help by:*

- Help your child to understand routines at home

## Literacy

*At school we will:*

- Showing interest in illustrations and print in books and print in the environment.

*At home you can help by:*

- Looking at print such as child's name, words on a cereal packet, or a book title.

## Mathematics

*At school we will:*

- Recite number names in sequence.

*At home you can help by:*

- Playing games with your child that offer opportunities for counting.

## Understanding the World

*At school we will :*

- Learning they have similarities and differences that connect them to, and distinguish them from others.

*At home you can help by:*

- Supporting children's understanding of difference and empathy using props such as dolls or puppets to tell stories.

## Expressive Arts and Design

*At school we will :*

- Begin to use representation to communicate, e.g. drawing a line and saying that's me, and being able to extend further

*At home you can help by:*

- Communicating with your child as they are mark making, regarding what they are doing.

## Showcase

Learning Journey Share – Date to be confirmed.

## Wayfield WOW Moment

Children will experience watching chicks hatch and grow.
