

Can you Survive the Dinosnore?

Rocks, Fossils and Dinosaurs!

Wayfield School

Proud to achieve!

Curriculum Map

Year 3 Term 5 2019

Literacy & Languages

At school:

- We will use the app 'Duolingo' to support the learning of French
- We will use our stimulus to support writing a newspaper report.
- We will write an adventure story about a dinosaur using visual literacy; a video or video clips to support with this using a range of language tools and techniques.
- We will be reading a range of text types to support inference, prediction and explanation skills.
- At home you can help by:
 - Summarise the key points of your reading across several paragraphs to someone at home.
 - Practise spellings: ending -ary, words with short 'u' sound spelt 'o'/'ou' and word families using the spelling shed.

Humanities

At school:

- In History, we will look at pre-historic Britain during the Jurassic Period.
- In Geography, we will look at how land has changed over time and identify and compare different rock types based on physical appearances.
- In RE, we will study the 5K's in Sikhism and what it is to be a Sikh.

At home you can help with activities like:

- Discussing different beliefs and researching what Sikhism is and watching videos about their lives.
- Look at similarities and make comparisons between religions – what different people believe.
- Look at different rocks found in the garden and compare them based on what they look like.

Maths

At school:

- We will be learning how to calculate fractions of a quantity and amount.
 - We will learn to add and subtract fractions
 - We will find equivalent fractions
 - We will order and compare different fractions
 - We will look at a calendar and identify the number of months in a year, weeks in months and days in months and weeks.
 - We will learn to tell the time on an analogue clock.
- At home you can help by:
- Challenge yourself on Times Table Rockstars to improve your rapid recall of times table facts.
 - Practise answering questions including the four operations and using the formal methods to show working out.

Healthy Living

At school:

- We will learn basic techniques of boxing and work together as a team to overcome barriers.
 - We will have PE, where we will learn basic striking and fielding games, such as rounders, baseball and cricket.
 - We will be learning how to work effectively as a team through these sports.
 - We will learn what foods are healthy and how we can look after our own physical, emotional and social health.
- At home you can help by asking questions like:
- What challenges did you face today? How did you overcome them?
 - How did you show the school values during the school days?
 - What did you do to help someone else? How did someone else support you?

Science & Technology

At school:

- We will identify how fossils are made and use a range of tools and skills to make and excavate our own fossils.
- We will use keynote to create an animation of a fossil forming based on our knowledge
- We will compare different rocks by looking at their physical features and how fossils are formed.
- Use logical reasoning to explain how some simple algorithms work and to detect errors in them.

At home you can help with activities like:

- Using the coding apps to support algorithms
- Looking around the garden/outside at different rocks and soils to support scientific questioning.

The Arts

At school:

- In Music, we will be creating our own piece using our voices rather than instruments.
- We will have an interview with a member of the school to support writing a recount.
- In Art, we will use a range of materials to sketch a dinosaur, or something relating to rocks, fossils and dinosaurs.
- We will use the app 'Sketches' to design a dinosaur image.

At home you can help with activities like:

- Listening to a range of orchestrated music on YouTube.
- Using 'Sketches' at home to practise a range of skills and use the variety of tools available on the app.

Stimulus

Dinosaur bone found on school premises (shhhh!)

Showcase

Team LeBron will be showcasing their art work on Friday 24th May at 2:30pm.

Wayfield WOW Moment!

Dinosnore! Team LeBron will be having their very own school sleepover on Friday 17th May, starting at 5pm.
