

# Crime and punishment

Wayfield School  
*Proud to achieve!*  
 Curriculum Map  
 Year 5 Term 5 2019

## Literacy & Languages

**At school:**

- We will be reading one piece of modern literature; Street Child by Bernie Doherty Drake Equation.
- We will be exploring a narrative poem written in 1906 called The Highwayman by Alfred Noyes.
- We will use prediction, inference and the power of three to build drama and atmosphere in our writing.
- We will continue to develop a distinct authorial voice that reflects the genre in which we are writing.
- We will discover how authors take inspiration for their fictional writing from true events, historical figures or folklore.

**At home you can help by:**

- Helping your child practice Year 5 spelling lists.
- Ensuring that your child reads for at least 10 minutes a day.

## Humanities

**At school:**

- We will research how religion and spirituality have explored the role of crime, punishment and justice.
- We will discuss how the workhouses in Victorian London were used as a form of punishment for orphan children viewed.
- We will discover more about the history, charitable work and legacy of Dr Barnardo

**At home you can help by:**

- Talk with your child about the role and challenges of justice.
- Supporting your child in their research of Highwaymen.

## Stimulus

Explore how crime and punishment is viewed and enforced in different countries, how people protest peacefully to create change and the role of punishment and rehabilitation.

## Maths

**At school:**

- We will review our mathematical understanding and learning since the beginning of this academic year.
- We will use a protractor to measure and draw obtuse, acute, reflex and right angles.
- We will use our knowledge of geometry to identify parallel and perpendicular symmetry in polygons.
- We will learn how to estimate and calculate the angles and length of different shapes.
- We will plot points on a graph, translate shapes and describe successive reflections.

**At home you can help by:**

- Encouraging your child to practice their times tables every day by using Times Table Rock Star (TTRS).
- Supporting your child to use Mathletics to reinforce number skills and apply learning to mathematical problems.

## Healthy Living

**At school:**

- We will be learning about sport, healthy lifestyles and wellbeing by taking part in physical education every day.
- We will be using our iPads to collaborate as a team, track progress in physical education, set personal targets and record achievement.

**At home you can help by:**

- Encouraging your child to review their physical education achievements and create meaningful sporting goals.
- Showing them how to give supportive peer feedback.

## Showcase

Hamilton class will be taking part in the Art Week showcase on Friday 24 May.

## Science & Technology

**At school:**

- We will explore the architectural design and the materials used to build prisons.
- We will learn how technology has transformed the way crimes are investigated, recorded and solved.
- We will investigate the methods used to escape prisons, the physical forces which might need to be considered and the chemical reactions which may be used to evade capture.
- We will use our understanding of shadows to time a perfect escape path through hazards and patrolling guards.

**At home you can help by:**

- Encouraging your child to find out more information about famous fictional and non-fictional detectives throughout history.
- Challenge your child to solve a mystery or riddle by using clues and evidence hidden around the home.

## The Arts

**At school:**

- We will participate in and create our own mock trial and courtroom drama.
- We will learn to express and debate our own thoughts and opinions about different forms of crime and punishment.
- We will create a wanted poster about the dastardly crimes of the Wayfield Highwayman or Highwaywoman.

**At home you can help with activities like:**

- Researching how symbolism is used in art to show justice, crime, punishment, hero and victim.

## Wayfield WOW Moment

Hamilton class will have a visit from The People's Dispensary for Sick Animals (PDSA) on Friday 3<sup>rd</sup> May to learn more about pet responsibility, care and working in an animal hospital.
