### **GB Athlete-**

On Wednesday 21st February 2018, all of the children from Farah class all the way up to Ennis class took part in the sports for schools challenge. The children were led by team GB athlete Gianni Frankis to raise as much money as possible to sponsor them to take part in a fitness circuit. Our children enjoyed doing 'spotty dogs', push ups, star jumps and leg drives.

We would like to thank everyone who took part and everyone who sponsored our children. Half of the money raised will support Gianni in his training and the other half will be spent on new PE equipment for our children to enjoy in their daily PE lessons.

We celebrated Chinese New Year with our friends from Snodhurst House. We prepared table decorations, served them their meal and challenged them to have a go at using chopsticks!

We invited our friends back to our classroom to share a story or a game and a fortune cookie!
