

Who lives in a home like this?

Literacy & Languages

At school we will :

- Be learning spelling rules for word endings
- Writing an exciting story about a dragon
- Listening to and discussing a range of poems, stories and non-fiction at a level beyond that at which they can read independently

At home you can help by:

- Read comics, home reading book, reading eggs activities.
- Learn weekly spellings
- Practise parts for our Nativity

Maths

At school we will :

- Subtracting 1 and 2 digit numbers with exchanging
- Learning how to divide 2, 5 and 10 times table

At home you can help by:

- Create a multiplication and division game
- Practise simple addition and subtraction methods
- Weekly Mathematics activities

Science & Technology

At school we will :

Learn about different types of habitats
 Discover how animals are adapted to live in their habitat
 Visit Wildwood to experience animals in their habitats

At home you can help by:

- *Discussing how animals around us are adapted*
- *Research your favourite animal and find out where it lives and why*
- *Create a Pic Collage of animals in different habitats*

Humanities

At school we will :

- Learn about our local area and compare it to a linked school in Guernsey

At home you can help by:

- Create a simple map of your local area
- Visit a landmarks of your local area and take pictures for our class project

Healthy Living

At school we will :

- Master movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities.

At home you can help by:

- Timing how many jumps you can do in a minute, can you beat your score week on week?
- Find how many times you can catch a ball in 1 minute.

The Arts

At school we will :

- Explore creating pictures and sculptures with different materials and methods.

At home you can help by:

- Design and make a model of an animal of your choice
- Create pictures of animals in their habitats

Stimulus

Become film makers and create a stop motion action scene for our dragon stories
